WARRANTY CLAIMS AND REQUIREMENTS

- To be eligible for warranty:
 - existing damage and shortages need to be reported within 30 days of invoice to the dealer
 - a Pre-Delivery Inspection (PDI) must be performed by the dealer prior to delivery to the end use customer.
 - PDI Forms can be found through the QR code or at portal.artsway.com
- To be eligible for warranty, each new product must be registered with Art's Way Mfg. within 30 days of delivery to the original purchaser
 - Product registration must be filed online through the QR code or at portal.artsway.com
 - Warranty claims must be submitted no later than 30 days from the date that the defect or improper workmanship was, or should have been, diagnosed/repaired. If defective date is less than 30 days away from end of Warranty Period, proof must be submitted with date of work completed.
