Factory Stock Forage Box EOP Stack Offers

Orders on forage boxes in factory inventory placed during the EOP qualify for one of the following stackable offers:

1. 3% stackable discount and 6 month interest free terms
2. 12 month interest free terms

This offer applies to all forage boxes and running gear purchased with a forage box. Units must be in current factory inventory. Future builds and/or custom configurations not on hand at the factory do not qualify for this incentive offer.

An order of 2 or more units during phase 1 of the EOP will earn a total discount of up to 25% and 9% with 6 month terms or 25% and 6% with 12 month terms.

Note that both forage boxes and running gear count as qualifying units, so 2 forage boxes on running gear will earn the max EOP discount level.

This terms program is Art's Way financed, so no 3rd party applications are necessary to participate. The invoice due date from Art's Way will be set in accordance with the program details above.
