Terms and Conditions

- A discount of \$1,750 for the X350/X550 line or discount of \$3,750 for the X700/X900 line will be applied directly to the sales order of any factory in stock units dated 2/1/25-2/09/25
- A discount of \$1,250 for the X350/X550 line or discount of \$3,250 for the X700/X900 line will be applied directly to the sales order of any factory in-stock units dated 2/10/25-5/15/25
- A rebate of \$1,750 for the X350/X550 line or rebate of \$3,750 for the X700/X900 line of dealership inventory will be applied directly to the qualifying dealerships account upon completion of warranty registration of retailed machine.
 - Warranty registration must be completed by the customer within 30 days of retail sale date
- A discount of \$1,750 for the X350/X550 line or discount of \$3,750 for the X700/X900 line will be applied directly to a sales order of a factory in stock unit if the dealership has retailed an X-series manure spreader from their inventory during the program timeframe.
- Art's Way dealerships are eligible to participate in this program from 2/1/2025 through 5/15/2025 only.
- Any orders or retails of dealership inventory sold prior to this program are not eligible for retroactive rebates.
- Dealership rebates are only valid on brand new X-series manure spreaders and not eligible for retails of used machines.
- All discount/rebate levels are eligible to change at Art's Way Mfg. discretion.
- Discounts on new orders are limited to X-series spreaders in factory inventory only, not applicable to future or new builds.
