## 8215 Portable Mixer - Hammer Mill

## LIST PRICES

### Ordering Instruction

Order base machine, selections, and options by code number and description

### Standard Features

- 215 bushel tank capacity
- Five large inspection windows  
(3-right front, 1-back, 1- left front)
- One piece 26" Hammer Mill with air system
- Ninety-six - 4-way reversible hammers
- Throat magnet - #4 x 24"
- 385-65-R22.5 heavy duty tires
- 10" diameter x 12' long high capacity unloading  
auger with hydraulic lift cylinder & swing motor
- LED highway lights
- Mud flaps
- Non-slip ladder & fenders
- Overrunning clutch PTO (1-3/8-21 Spline)

- Upper & lower replaceable wear plates
- Hydraulic discharge drive
- Self contained hydraulic system with remote control
- Ingredient supplement hopper
- Rubber flighting kit for fibrous feed
- 13 gallon hydraulic tank
- Tube style auger feeder
- Hydraulic oil cooler
- New tube-fed tank for efficient filling
- 1st screen included

Est. Set-Up Time: < 1 Hour
